1. Login to the portal with email or phone number

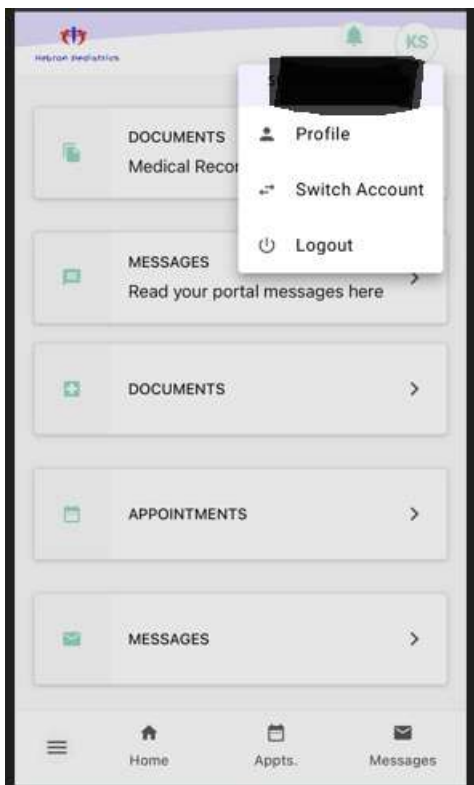

The screenshot shows a web browser window with the address bar displaying [...ronpeds.portal.officepracticum.com](https://hebronpeds.portal.officepracticum.com). The page has a light purple header with the Hebron Pediatrics logo and name. Below the header is a white login form with a green border. The form contains two input fields: 'Email *' and 'Password *'. The password field has a green eye icon to its right. Below the input fields is a green 'Login' button. Under the button are two links: 'Login with mobile phone number' and 'Recover password'. At the bottom of the page, there is a footer with the following text: 'Powered by Bridge Interact v3.151.0 © 2026. All rights reserved.' and 'Licensed to Hebron Pediatrics. Patient support? Please contact Hebron Pediatrics'.

2. Once logged in, you will see the parent initials at the top

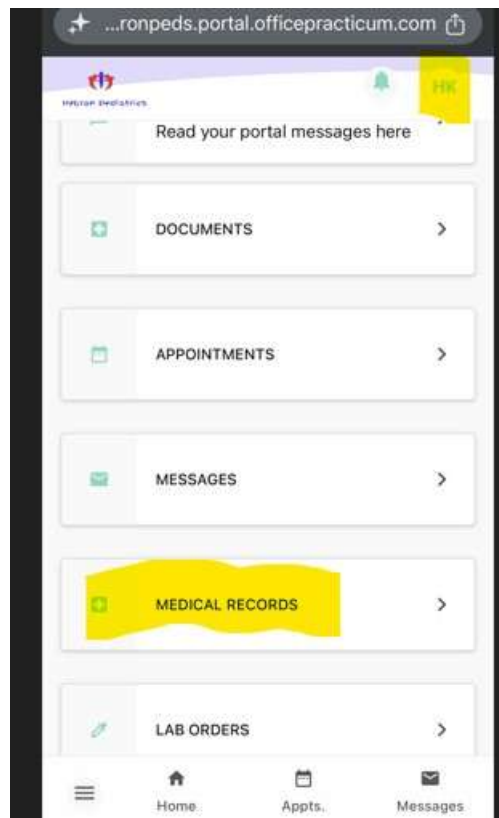

3. Click on the initials and you will see Switch Account

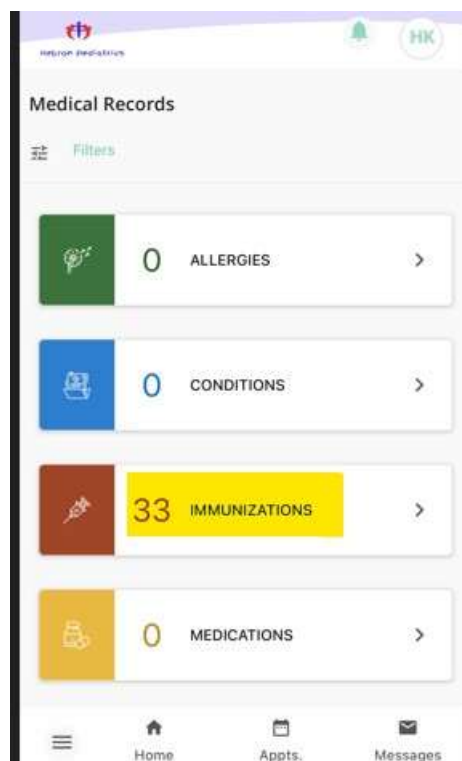

4. Once you hit Switch account pick the child's name. If you have more than 1 child you will see all the children's names here. Pick the child's name you want to see and click Switch

5. Once in the child's account, scroll down to medical records

6. Click Medical records and then Immunizations

7. Click on Immunizations, then the 3 dots on top, View card and then download card
